GTI VR6

by FOadmin • October 10, 2012 • 0 Comments

The GTI VR6 is known to be a revolution in the market with the origin of a small, quick, hatchback that included a compact but powerful V6 engine. The name VR6 was derived from the word vee that concerns the cylinder configuration and Reihenmotor whose origin is German, means inline [Read more](#) →

Ford GT for Sale

by FOadmin • October 10, 2012 • 0 Comments

Can you imagine what Henry and Edsel Ford would have thought of a car like the Ford GT? The manufacturers of the first ever car that was built on an assembly line (the Ford Model T

is what we are talking about here of course) would have loved the car. To them it would have looked like it came straight out of space. [Read more →](#)
